Baby Moses

EXODUS 1:8–2:10

There was a pharaoh, the king of Egypt, who forced God's people, the Hebrews, to be his slaves. The king and his people were very mean to the Hebrews, and they wanted to kill all of the Hebrew babies who were boys.

There was a Hebrew family with a new baby. The baby's mother wanted to protect him, so she kept him hidden for as long as she could. When she could not hide him any longer, she made a special basket to protect the baby. She put the baby in the basket and set the basket among the reeds (tall grasses) by the edge of the water.

The baby's sister watched the basket. She saw the king's daughter find the basket. The king's daughter opened the basket and saw the baby boy.

The baby's sister asked the king's daughter: "Would you like me to find a Hebrew woman to take care of the baby for you?" The king's daughter told her to do that. The sister brought the baby's mother to her. The king's daughter asked the mother to care for the baby and return him to her when he was older. The baby was named Moses.

THE BIBLE MEETS LIFE

Parents, today's Bible story taught that family members can care for and protect one another. Moses' mother hid baby Moses to protect him from Pharaoh, and Moses' sister, Miriam, cared for him when she offered to help Pharaoh's daughter find someone to care for the baby.

LIVE IT OUT

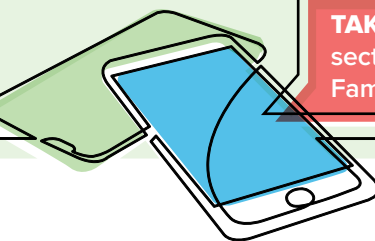

As you review the Bible story, mention how Moses' family protected and cared for him. Say the Weekly Bible Verse together: "Take care of your family. 1 Timothy 5:4." Pray, thanking God for your family.
