## CONVERSATION

### Jesus Healed a Woman

LUKE 13:10-17

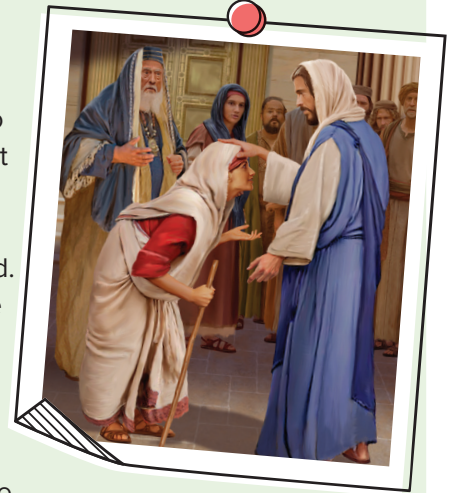

Jesus was teaching in a synagogue on the Sabbath day. He saw a woman who was crippled. For 18 years she was bent over and could not straighten up at all.

When Jesus saw the woman, He called out to her. “You are free,” He said. Then He laid His hands on her, and she was immediately healed. When she realized what Jesus had done, she began to praise God.

The leader of the synagogue was angry because Jesus had healed on the Sabbath. “There are six days when work should be done,” he said. “Healing should be done on those days.”

But Jesus answered, “Each one of you gives his donkey water on the Sabbath, why shouldn’t this woman be healed on the Sabbath?” Jesus wanted the men to realize that people are important to God.

The crowd was very happy with the things Jesus was doing.

#### THE BIBLE MEETS LIFE

Parents, in today’s Bible story your child learned that Jesus taught that people are important to God. In the synagogue on the Sabbath, Jesus healed a woman with a crooked back. The leaders were angry, but Jesus told them caring for people was very important.

#### LIVE IT OUT

Help your child make a list of people in her life—family members, friends, teachers. Comment that all these people are important to God. Take time each day to pray for one or two people on her list.

#### LEVEL OF BIBLICAL LEARNING

Jesus taught people what God is like by what He said and did.
