### A Song About the Bible

#### PSALM 119

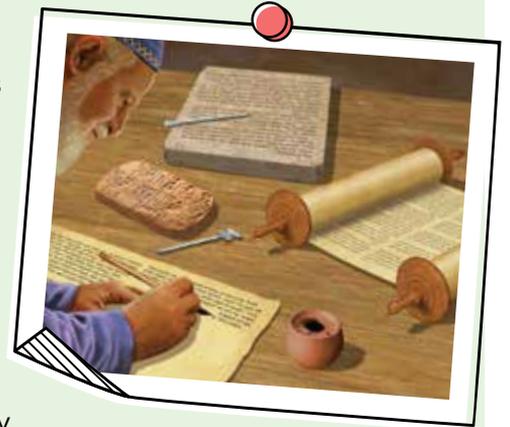

The psalms in the Bible are poems or songs that praise God. One psalm in the Bible focuses on the Bible and its importance to the people of God. Here are some of the things that Psalm 119 says:

- God, You tell us to obey You. When we look for You and obey, we are happy.
- How do we do what is right? By obeying Your words. I have remembered Your words so that I might do what is right.
- God, help me do what is right; teach Your commands to me. I want to continue to think about them and learn what Your words mean.
- You made me, God. Help me understand Your words. I hope in Your words and I know Your judgments are right. May I feel Your love for me, God.
- God, Your words are true and will last forever. Your faithfulness continues to people through generations.
- Your words help me do what is right.

Psalm 119 is the longest chapter in the Bible. This psalm writer encourages us to learn from the Bible. He tells us to continue to think about God's commands and to remember and obey them.
